In all weights, for pleasure driving or speeding, exquisitely finished, and embracing in their construction the various improvements introduced by us during the past 15 years, making them the Standard for Quality throughout the United States.

These wagons are exclusively the production of our well-known Broome street factory, and are offered in stock in all respect squal in quality to those built to the order of the most valued customer, and at prices uniform to all.

In order that we may not be confounded with a joint stock company of carriage dealers who have adopted a firm name similar to our own, and impudently claim the reputation we have made for the "Prewiser Wagon," we beg the public will remember that our only warerooms are at the corner of Fifth syenue and Fourteenth street, and our only Factory on Broome street.
